Aside from being cute, this DIY octopus costume is quick, easy to make, and inexpensive. Also, this is suitable for both boys and girls. What You'll Need: 1 9-inch octopus costume that fits properly 1 large, medium, and small white plastic octopus Plastic leaf stems (any color) Plastic Halloween decorations, such as spiders, pumpkins, Jack-o'-lanterns Glue Sewing machine The first step is to create the body and tentacles. Take the large octopus and turn it around and over so that the arms are facing back towards you. Glue the octopus to the back of the black and white striped shirt. The shirt should be long enough so that the octopus will be at least 4 inches tall. Then take the octopus to the sewing machine and sew at the bottom edge. This is the starting point for the tentacles. Once you sew, it is time to add the arms to the shirt. Fold the octopus in half and glue and sew the middle of the arm to the center of the shirt. Then, take the gloved hand of the octopus and glue and sew the small arm to the top of the middle arm. Then, add a few small tentacles to the upper center. Now, take all of the stems and put them into the octopus. Using pliers, bend the leaves down as much as you can so that they look more realistic. You can add the costume
