About This Game

The game takes place in the "No Prospects Company" office, where the player can use a variety of items to hit marked targets. Destruction of the environment is rewarded with additional points. It features brilliant social commentary filled with humour and satire. Unleash your inner wrath in this corporate mayhem simulator!

Key features:
- throwing to target;
- destroying your workplace;
- more than 25 levels;
- more than 15 unique items to throw;
